Barbados

iStock International

Barbados — Pear-shaped Barbados, long popular with fishermen and royalty, offers glittering beaches, equally sparkling resorts, and striking seascapes lined with hulking boulders and cave-strewn cliffs. From afternoon tea and cricket to landscaped gardens and preserved Victorian architecture, the island's English heritage remains pronounced.

Why Go

For British high-life infused with West Indian culture, lots of sunshine, and superb hospitality.

When to Go

- Peak Season: mid-December to mid-April
